- B. The Organisation shall provide the EA (with a copy to the INAB assessment manager), the following information, within 28 days of it being known:
- details of any application for such accreditation;
  - a copy of any report made by the INAB assessment team in relation to that application;
  - details of any decision or conclusion reached by INAB in relation to that application;
  - general observations on the performance of the organisation where specific aspects do not satisfy the requirements in the MCERTS performance standard;
  - details of any suspension, revocation or voluntary withdrawal of accreditation; and
  - details of any [major] nonconformity discovered on accreditation assessment to the MCERTS standard and the steps taken to correct it.
